Spiedini
ITALIAN RISTORANTE

Master Chef Gustav Mauler has created menus to accommodate a multitude of special events and we will gladly discuss custom tailored menus upon request. Your general menu selections must be received 10 days prior to your scheduled event in order to assure the availability of all food items necessary to prepare your menu.

Spiedini offers a wide variety of both alcoholic and non-alcoholic beverages to accompany your menu selections. As with your food selections, all wines to be served with dinner must be selected 7 days prior to your scheduled event to assure the availability. We no longer allow bottles of wine to be brought in. If you choose to provide us with a dessert, we will present, plate, and properly serve the desert for a $3.00 plating fee per guest.

All Spiedini standard linens, china, flatware, glassware, tables, and chairs are included with all banquet functions. We can also provide you with special linens in an array of colors for an extra charge.

For banquet and meeting functions, we can provide state of the art audio-visual equipment. Prices are available upon request.

<u>We do require a $250.00 non-refundable deposit that will be credited on your final bill.</u>

For luncheons, a minimum guest guarantee of 25 is required. Inquire for more details.
For dinners, we require a $500.00 F& B minimum in Net Sales to use the Private Dining Room. If the $500.00 minimum is not met, a room charge for the missing sales will be added to the final bill. A final guest count must be specified 48 hours prior to your event. This number will serve as guarantee and is not subject to reduction.

All Charges are subject to a 20% service charge and applicable sales tax.
